How To Train Your Dragon

"Oh Tobias. You will never know how hard training a dragon is."

"Shut up! Training dragons is such an easy task! I'm sure I am capable of training a dragon!"

"Well, Tobias, you seem like a very confident fellow. However, you definitely won't do well in training dragons. I bet you cant even take care of a dragonling."

"Hmph! Wait till I find a dragon! I'll train it well and prove to you that I am better than you!"

"Oh Tobias, you make me crack up. You're only 9 years old. Don't think too much. I'm already 15. Obviously I'll do better. I have 6 years more of experience than you!"

"We shall see who becomes the Champ first!"
